Secy. to the Govt. of India.

Reasons for the enactment

The Bill seeks to amend the Punjab Motor Spirit (Taxation of Sales) Act, 1939 (Punjab Act 1 of 1939), so as to raise the rate of sales tax on motor spirit other than diesel oil from 6 paise in a rupee to 7 paise in a rupee. The present rate of sales tax at 6 paise in a rupee was fixed in the year 1986. The rates of sales tax on motor spirit prevailing in the neighbouring States are as under:—

| Sl. No | State | Rate |
|--------|---------------|------|
| (i) | Bihar | 6% |
| (ii) | Rajasthan | 15% |
| (iii) | Uttar Pradesh | 8% |

2. Keeping in view the rates of sales tax prevailing in the neighbouring States and the need to mobilise additional resources, the State Government has proposed upward revision in the rates of sales tax on motor spirit from 6 paise to 7 paise in a rupee. No change is proposed in the rate of sales tax on diesel oil which is at present 4 paise in a rupee. The additional revenue likely to accrue to the State Government is estimated to be Rs. 1.60 crores per annum.

3. Parliament has under article 357(1)(a) of the Constitution conferred on the President the power of the Legislature of the State of Punjab to make laws *vide* the Punjab State Legislature (Delegation of Powers) Act, 1987.

4. In view of the urgency of the matter, it is not practicable to consult the Consultative Committee of the Parliament on Punjab legislation constituted under the proviso to sub-section (2) of section 3 of the Punjab State Legislature (Delegation of Powers) Act, 1987. The measure is accordingly being enacted without reference to the Consultative Committee.
